Details of the qualifications, experience and expertise of each Director is set out in Redcape's latest Annual Report dated August 2020 and is available on Redcape's website.

## Director independence

The Board considers an independent director to be a Non-Executive Director who is not an employee or director of:

- an entity related to the Responsible Entity (including Moelis Australia and its subsidiaries);
- any Redcape group entity; or
- any entity appointed as manager of Redcape from time to time (currently this is MAHM),

and who is free of any business or other relationship that could materially interfere with, or could reasonably be perceived to interfere with, the exercise of their unfettered and independent judgement

The Board will consider the materiality of any given relationship on a case-by-case basis. The Board reviews the independence of each Director in light of interests disclosed to the Board from time to time.

The Board considers that Nicholas Collishaw, David Groves and Andrew Ireland are independent. The Board considers that Daniel Brady and Hugh Thomson are not independent as they are employed by entities related to the Responsible Entity in an executive capacity.

The Board is currently comprised of a majority of independent directors. The Board considers that each Board member continues to bring objective and independent judgment to make decisions in the best interests of all securityholders and in accordance with their duties as Directors.

## Director selection and succession planning

As Redcape is an externally managed listed entity, it does not need to follow the recommendations in the ASX Principles and Recommendations which recommend the establishment of a nomination committee. Furthermore, the Board does not consider it appropriate to constitute a nomination committee for the Responsible Entity, given that the Responsible Entity is a subsidiary of Moelis Australia.

Moelis Australia is responsible for overseeing the appointment of Directors to the Board of the Responsible Entity. Moelis Australia will set the composition and membership criteria as well as the guidelines for director selection in consultation with the Board of the Responsible Entity.

The following Board composition and membership criteria have been adopted for the Board of the Responsible Entity:

- the Board is to comprise a minimum of three and a maximum of ten directors;
- directors nominated for appointment require approval by Moelis Australia;
- a majority of the directors must be independent;
- the Board is to comprise directors with an appropriate range of qualifications and expertise;
- the Chairman of the Board will be appointed by Moelis Australia; and

MA Hotel Management Pty Ltd (ACN 619 297 228) is the appointed investment manager and hotel operator of Redcape.*

- directors will be required to submit for re-appointment by Moelis Australia every three years. Any securityholder feedback or recommendations on director re-appointment are not binding on the Responsible Entity or Moelis Australia, but any such feedback is a matter to which Moelis Australia will have regard in considering the continuation of a director appointment.

In addition, the following guidelines apply to director selection and nomination to the Board:

- integrity;
- particular expertise (sector and functional) and the degree to which they complement the skill set of the existing Board members;
- reputation and standing in the market; and
- in the case of prospective independent directors, actual and perceived independence from Moelis Australia.

The present size of the Board will be reviewed to ensure that it remains appropriate for the nature of Redcape's business and strategy in the year ahead.

The Audit, Risk and Compliance Committee provides a link between the Company's external auditor, the Board and Redcape Management. It also has the responsibility (subject to Corporations Act requirements) for the appointment, terms of engagement and compensation for the external auditor. The Committee will also evaluate the effectiveness of the annual audit and the independence of the external auditor.

The Committee's role in relation to the internal audit function is discussed on page 7 of this Corporate Governance Statement.

## 4. Performance evaluation

#### Board performance evaluation process

Moelis Australia has established the following performance evaluation processes for the Board, Committees and individual Directors of the Responsible Entity:

- on an annual basis, Directors will provide feedback to Moelis Australia in relation to the performance of the Board, its Committees and individual Directors;
- each Committee will provide feedback to Moelis Australia in terms of a review of its own performance;
- feedback will be collated by Moelis Australia, and discussed with the Board as appropriate, with consideration being given as to whether any steps should be taken to improve performance of the Board or its Committees;
- the CEO will also provide feedback from Redcape Management to Moelis Australia in connection with any issues that may be relevant in the context of the Board performance review.

Performance evaluations will take place annually in accordance with the processes described above.

#### Senior executive performance evaluation process

MAHM is the appointed investment manager and hotel operator of Redcape. The Board will monitor MAHM's performance in accordance with the terms of the Investment Management Agreement and Hotel Operating Agreement between Redcape and MAHM.

The performance of senior executives all of whom are employees of MAHM (being Redcape Management) is assessed on an annual basis by Moelis Australia in accordance with Moelis Australia's policies and processes. The Board of the Responsible Entity will provide feedback to Moelis Australia on the performance of Redcape Management to assist with Moelis Australia's evaluation process.

## 5. Remuneration

#### Remuneration committee

As Redcape is an externally managed listed entity, it does not need to follow the recommendation in the ASX Principles and Recommendations which recommend the establishment of a remuneration committee. Furthermore, the Board does not consider it appropriate to constitute a remuneration committee as Redcape does not itself employ any senior executives and is not responsible for the remuneration of the Directors.

*Redcape Hotel Group Management Ltd (ACN 610 990 004) (AFSL 505932) is the responsible entity of Redcape Hotel Trust I (ARSN 629 354 614) and Redcape Hotel Trust II (ARSN 629 354 696) (together "Redcape" or "Redcape Hotel Group"). MA Hotel Management Pty Ltd (ACN 619 297 228) is the appointed investment manager and hotel operator of Redcape.*

Fees payable to MAHM as the appointed investment manager and hotel operator of Redcape are summarised on the Redcape Website. Redcape is undertaking a review of its website and will set out the fees payable to MAHM on a separate page of the “Governance” section of its website.

The Responsible Entity is a subsidiary of Moelis Australia, and as Redcape will be managed externally by Moelis Australia, the appointment and remuneration of the Directors of the Responsible Entity and Redcape Management is the responsibility of Moelis Australia. Accordingly, the ASX Principles and Recommendations relating to remuneration are not relevant to Redcape.

Redcape has adopted two equity based incentive plans for the benefit of its employees (all of whom are hotel venue staff). The terms of these plans are available on the Redcape Website. The terms of Redcape’s Rights Plan and the Employee Plan provide that participants must not enter into any transactions to hedge their economic exposure to Redcape securities received under the Rights Plan and/or the Employee Plan.

## 6. Risk framework

### Risk identification and management

The Audit, Risk & Compliance Committee assists the Board with regard to oversight of Redcape’s risk management practices by reviewing and reporting to the Board that the Committee has, at least annually, reviewed Redcape’s risk management framework to satisfy itself that it continues to be sound and effectively identifies all areas of potential risk.

In line with the ASX Principles and Recommendations, Redcape’s risk management framework will be reviewed annually.

The Board seeks to take and manage risk in ways that will generate and protect securityholder value and recognises that the management of risk is a continual process and an integral part of the management and corporate governance of the business.

The Board acknowledges that its reputation is of great importance and it has an obligation to all stakeholders, including Redcape securityholders, customers, employees, contractors and the wider community and that the efficient and effective management of risk is critical to Redcape meeting these obligations and achieving its strategic objectives.

### Internal audit

Redcape does not currently have an internal audit function. Instead, Redcape Management, working with external advisors as appropriate, oversees the adequacy and effectiveness of the Company’s systems of risk management, internal control and governance, and provides recommendations to improve the efficiency and effectiveness of these systems and processes.

In addition, the Audit Risk & Compliance Committee monitors and reports to the Board that:

- adequate policies and processes have been designed and implemented to manage identified risks; and
- proper remedial action is undertaken to redress areas of weakness.

### Business and sustainability risks

The Board and Redcape Management are committed to building a sustainable business that appropriately manages economic, environmental and social sustainability risks. Redcape’s Management with the assistance of the Audit Risk & Compliance Committee, identifies and manages these risks in accordance with Redcape’s overall risk management policies and framework.
