## ASX ANNOUNCEMENT

### Redcape Hotel Group Delisting Proposal

As announced on 10 September, the required securityholder resolutions for implementing the delisting proposal have now passed. Redcape Hotel Group Management Ltd as responsible of the Redcape Hotel Group (ASX: RDC) (“Redcape” or the “Group”) has now formally applied to ASX requesting that ASX remove Redcape from the Official List pursuant to Listing Rule 17.11 with effect from 2 November 2021.

Redcape Securityholders can find the following information set out in the Explanatory Statement dated 18 August 2021 (available at [redcape.com.au/investor-centre/](http://redcape.com.au/investor-centre/) and the ASX announcements platform):

- the reasons Redcape is seeking delisting;
- the consequences for Redcape and Securityholders if Redcape is delisted; and
- an explanation of certain remedies that Redcape Securityholders may pursue under the *Corporations Act 2001* (Cth).

Following the Delisting, Redcape Securities will no longer be able to be traded on ASX. Redcape will conduct an off-market Buy-Back in order to give all Redcape Securityholders the potential opportunity to realise some or all of their investment in Redcape. In addition, Redcape Securityholders will be able to trade their securities on-market, subject to demand, until the Suspension Date noted in the indicative timetable below.

Redcape will undertake a Rights Issue to partially fund the Buy-Back and as well as provide the opportunity for existing Redcape Securityholders to acquire additional securities.

Following Delisting, the Responsible Entity would aim to offer investors quarterly liquidity through an Unlisted Liquidity Facility.

Further details of the Buy-Back, Unlisted Liquidity Facility and Rights Issue are detailed in the Explanatory Statement.

The ASX has provided in-principle confirmation that, upon receipt of an application for removal of Redcape from the official list of ASX pursuant to Listing Rule 17.11, ASX would be likely to remove Redcape from the official list, subject to compliance with the following conditions:
