FOR IMMEDIATE RELEASE

Redcape acquires the Shafston Hotel, Kangaroo Point and the Aspley Hotel, Aspley

Redcape Hotel Group Management Ltd, as responsible entity of Redcape Hotel Group (ASX: RDC) (“Redcape” or the “Group”) advises that it has exchanged contracts to acquire the Shafston Hotel, Kangaroo Point and the Aspley Hotel, Aspley, both located in Queensland, for a purchase price of \$27.5m, excluding transaction costs.

The acquisitions will be funded from existing Group resources with settlement anticipated prior to June 2021 (subject to customary conditions precedent) and will be accretive to Distributable Earnings on joining the portfolio in FY21.

These two quality Freehold Going Concern assets will increase the Group’s Queensland presence to eight hotels, broadening its Australian East Coast footprint to 35 largely Freehold Going Concern local community hotels¹.

Previously owned by an offshore hospitality vendor, the acquisition means the hotels will be owned and operated by Redcape, a proven local operator who understands Australian suburban communities and the important role pubs play as social meeting places.

Redcape CEO Dan Brady said, “The incorporation of these two Queensland hotels into the portfolio following the acquisition of the Gladstone Hotel in Sydney’s inner west last month, provides further evidence of a return to our strategy, post the COVID trading disruption. The Aspley Hotel and the Shafston Hotel will benefit from Redcape’s local knowledge, operational platform and repositioning capabilities. Both hotels will be revitalised by considerable capital investment to provide quality hospitality offerings to meet the demands of their local communities.”

¹ Includes Gladstone Hotel which is scheduled to settle before March 2021
